Sequential Spelling 1: Teacher's Guide [Don McCabe] on Amazon.com. \*FREE\* shipping on qualifying offers. Sequential Spelling 1 is typically begun by 2nd grade students. Students must have a good working knowledge of the alphabet. A while back, I whipped up a little game for my kids to practice making words. I used a photo of them playing on the floor with it in this post over here, and several people have commented on it and asked about it.
