

Download Akira Class Technical Manual

Size of the Akira Class. The true length of the Akira class is not fully evident because of the following conflicting size figures (explained in the ship size table): Starship Design in the TNG Technical Manual. Written like a technical documentation of Galaxy-class vessels for Starfleet personnel of the 24th century, the Star Trek: The Next Generation Technical Manual by Rick Sternbach and Michael Okuda gives some insight into starship construction principles and elucidates Roddenberry's design rules ...- STAR TREK BLUEPRINTS DATABASE - With 4,882 blueprint sheets currently online This is a list of Federation starships from the fictional Star Trek universe. The list is organized first by ship class, then registration number, name, and finally where that vessel was referenced.
