American Hysteria: The Untold Story of Mass Political Extremism in the United States [Andrew Burt] on Amazon.com. *FREE* shipping on qualifying offers. This debut from Andrew Burt details the pivotal moments in American political history when outliers moved to the center. In the Marxist economic base and superstructure model of society, base denotes the relations of production and modes of production, and superstructure denotes the dominant ideology (religious, legal, political systems). During Barack Obama's campaign for president in 2008, throughout his presidency, and afterwards, a number of conspiracy theories falsely asserted Obama was ineligible to be President of the United States because he was not a natural-born citizen of the U.S. as required by Article Two of the Constitution.
