

# Download Arctic Cat Spirit Manual

Arctic Cat is known for their M series snowmobile models which were 3rd in Market share behind Ski-doo and Polaris in 2003. This "Skinny Mini" prototype sled had features different from other sleds at that time, by utilizing parts that provided more than one role and a track that had less width than other sleds, reducing rotating mass. Shop with Confidence. Here you can write a few short sentences about why your customers can buy with confidence from your store. You might also want to outline your payment options here. Antique - Vintage. 2008 Arctic Cat F5 I-500 Racer. This sled is one of seven 2008 F5s that competed in a special media class during the running of the 2008 United States Cross Country I-500 snowmobile race. I have a 1981 Suzuki 16hp Arctic Spirit with less than 10 hours of run time. I took it out for the first time and accidentally hit a stump and messed up the pinion gear (part #5731193104).
