Gabrielle Zevin

Because It Is My Blood, written by Gabrielle Zevin, is the second book in a series of three. This book has a lot of action and keeps you on your toes. I really enjoyed getting to know the main character, Anya, along with her insanely weird family and friends. This book really intrigued me due to the cover of it actually giving a picture of what the author wants Anya to look like. This helped develop my idea of what all the characters look like.
