Smoker S

Don't buy this smoker. It's under powered and it doesn't even do what it's supposed to do. Since I buying this in February I've done probably 20 smokes with it.... and never have I once been able to finish the pork butts in the smoker. Bradley Non-Stick Magic Mats - Set of 4 No more foods sticking to your smoker racks with the Bradley Magic Mats. It will allow you to peel your food off the mats easily.
