When she realizes the shifter also means to drink the milk that some of the women in her family seem to have a plentiful, continual supply of, a door is opened to a new pleasure that binds her to the shifter on the tethers of a new desire and taste for xenophilia. When Ella asks a dream shifter for protection from an otherworldly force she foolishly interrupted, she finds herself in the middle of a breeding circle to pay his fee. More If she proves to be a viable surrogate for his otherworldly seed, there will be far more than protection offered to her, but if she is not, she will at least enjoy the fulfillment of her request. the Bred And Milked By The Shifter Pdf ePub.
