Sociology is the scientific study of society, patterns of social relationships, social interaction, and culture of everyday life. It is a social science that uses various methods of empirical investigation and critical analysis to develop a body of knowledge about social order, acceptance, and change or social evolution. JSTOR is a digital library of academic journals, books, and primary sources. The culture of Canada embodies the artistic, culinary, literary, humour, musical, political and social elements that are representative of Canada and Canadians.
