Our July 2018 Catalogue Page. Page posted July 18, 2018. We now issue most of our catalogues on line rather than in print by mail. This allows us to issue more catalogues and feature more items, with better photos and descriptions. The National Historic Landmarks in Michigan represent Michigan's history from pre-colonial days through World War II, and encompasses several landmarks detailing the state's automotive, maritime and mining industries. The Whitefish Point Light, a lighthouse in the Upper Peninsula of Michigan, is the oldest operating light on Lake Superior. It is arguably the most important light on Lake Superior.
