Step by step recipe instructions for cheesecake, plain new york style complete with photographs and reader comments and discussion This recipe is not only delicious and insanely close to the 'real thing,' it's also simple, requiring just a blender to make! Plus, there's no water bath involved like a traditional cheesecake, simplifying the process even more. About cake The history of cake dates back to ancient times. The first cakes were very different from what we eat today. They were more bread-like and sweetened with honey. The Cheesecake Factory restaurant is set to open its first Canadian location at Toronto's Yorkdale Mall on Tuesday, November 21st, 2017. Sprawled over 10,400 square feet with two covered patios, and the same 250 item menu, plus more than 50 cheesecakes and desserts as its U.S. counterpart — we are ecstatic to say the least!
