With mounting admiration I have read Bully of Asia. Mosher's new book is the most sophisticated, up to date, richly-based argument in existence for dangers in the Rise of China - dangers to the giant's neighbors and to America. China is choking on its own success. The economy is on a historic run, posting a succession of double-digit growth rates. But the growth derives, now more than at any time in the recent past, from ...Green Innovation in China: China's Wind Power Industry and the Global Transition to a Low-Carbon Economy (Contemporary Asia in the World) [Joanna Lewis] on Amazon.com. \*FREE\* shipping on qualifying offers. As the greatest coal-producing and consuming nation in the world, China would seem an unlikely haven for wind power. Yet the country now ...Asian news hub covering geo-political news and current affairs across Asia
