

Download Comic Book Themed Graphic Design

The world's largest comic book convention has some secrets that are practically unknown to lovers of graphic design and illustration. San Diego Comic-Con International is famous, as well as feared and loathed, for its lengthy lines of lemmings endlessly waiting to get into mammoth show biz hype. With Comic Heroes' Collage swatches, anyone can channel its awesome powers to create stories, blog images, jokes, learning materials, cards, and anything imaginable in the comic book style. You'll find these under Swatches in Collage.
