I refer to it all the time, and not just for his food either. The section on herbs and spices is useful for cooking for the rest of the family. This item: Cooking for Baby: Wholesome, Homemade, Delicious Foods for 6 to 18 Months by Lisa Barnes Hardcover \$11.69 In Stock. Ships from and sold by Amazon.com. Parents today know that one of the best ways to give a baby a great start in life is with wholesome, homemade foods. While ready-made baby food is a convenience that any new parent can appreciate, feeding everyday fresh foods is the best way to teach a child healthy eating habits and an appreciation for good food from the cradle onward.
