Tom said: This book was well written but I get the impression that back in 1962 the plot had more ...Every time he spins a platter on King's Session, gold comes out: TV earnings, returns on his secret holdings in recording companies - the old payola that some bright young men think only their rightful due. Ellery Queen was a pen name created and shared by two cousins, Frederic Dannay (1905–1982) and Manfred B. Lee (1905–1971), as well as the name of their most famous detective. Born in Brooklyn, they spent forty-two years writing, editing, and anthologizing under the name, gaining a reputation as the foremost American authors of the Golden Age “fair play” mystery. “Ellery Queen is the American detective story.” —Anthony Boucher, author of *Nine Times Nine* “A new Ellery Queen book has always been something to look forward to for many years now.” —Agatha Christie
