

Download Diy Vegan Lip Balms Ingredients

This DIY Vegan Lip Gloss recipe only uses 3 ingredients and make it super easy to make your own vegan alternative at home. Made with only a few natural ingredients, it's also a good skin safe alternative if you suffer from allergies or sensitivities to certain synthetic ingredients found in some store bought items. Stir the ingredients to combine them. Add in the glycerine, the vitamin E, the essential oils and stir. The last three ingredients are optional. Pour the liquid balm into a lipstick container, or into a lip balm tin, and let it solidify at room temperature before using it. Vegan homemade lip balm When making your first (or second) vegan homemade lip balm, you need about 15 minutes from the beginning to the end. Make sure to add essential oils and avocado oil at the very end. DIY: Easy 2-Ingredient Vegan Lip Balm Posted on December 11, 2017 by sigilina Just like most people I hate having dry lips but buying lip balm can be tricky as most contain either petroleum jelly or bee wax.
