I am a needle of steel glass & cement 102 stories high on a clear day you can see 200 miles out into the Atlantic or watch hundreds of ants scurrying like ...An invigorating celebration of the seasons and poems that take shape The twist of spring rain. The arc of summer waves. The roundness of fall pumpkins. There is something so joyous about reading poetry to my kids. Each poem, even the short one, is so full. Full of meaning, full of emotion, full of subtext, full of fun, full of thought. **READ AND DO ACTIVITIES** During story time, children learn about books, how to handle them, that words read left to right on the page, that reading starts at the top of the page, and that pictures tell us more about the story.
