Contribute; Interested in Writing? Learning Solutions welcomes contributions from members of the community. If you have a great idea or solution to share, send a query to the editor and our staff will work with you to share your solution with the eLearning community. If you are required to be creative on demand in your daily work, you may find that a Design Thinking model suits your needs. Design Thinking is an approach for deeply understanding the audience and their challenges, in order to generate creative and effective solutions.
