

Download Eric Kayser's Sweet Savory Tarts

In Éric Kayser's Sweet and Savory Tarts, the master French baker has selected 60 simple yet delicious tarts, arranged here in four sections: savory, fruit, chocolate, and delicacies. After having great success and lots of fun with Eric Kayser's Sweet and Savory Tarts book I was a little disappointed with this one. Many recipes in this book will keep you running from store to store in search of the required ingredients.
