

Download Government, Smes And Entrepreneurship Development

We help local and national governments unleash the potential of entrepreneurs and small and medium-sized enterprises, promote inclusive and sustainable regions and cities, boost local job creation and implement sound tourism policies. Table of contents. Executive Summary. Chapter 1 Introduction What is new about innovation in the 21st Century? What is the role of SMEs and entrepreneurship in innovation? CHAPTER ONE INTRODUCTION 1.1 BACKGROUND OF THE STUDY The major problem facing African nations (including Nigeria) today is the eradication of poverty which every government has built in as part of its development programme. Jacques grew up in Stellenbosch, South Africa. Keen to take over the world, one word at a time, he has always been interested in both politics and development and studied International Relations (BA) at Stellenbosch University.
