The freak nights of APF are some of the most artistic, exhilarating, erotic experiences that have ever graced the pages of a book; evidenced by the thousands of emails Zane has received over the years from women yearning to join the sorority. The sexual revolution continues...within the pages of Head Bangers: An APF Sexcapade. The novel opens at the APF convention, a gathering for the sexually uninhibited. Later, there's Cyber Sex and other sexcapades at APF Freak Night. The concept of this event is so original and Zane is so explicit, my fingers (among other things) tingled as I turned the pages.
