Books like Hold My Heart (Heart #1) Hold My Heart (Heart #1) by. Esther M. Soto (Goodreads Author) Breaking My Heart Book 1 My Heart Series Volume 1 Free Download were still available and ready to download. But both of us were know very well that file would not available for long. Hold My Heart is a book like no other. A complicated yet spellbinding and unique kind of love story that had me on the edge of my seat. I honestly did not want to put it down. The author masterfully combines a decades long mystery with time travel and an unrequited love. Something I never thought to even want to explore but now that I have finished book 1 in this series I am desperate for more.
