

Download How To Win The Fight Change Orders And Claims

How to Win the Fight! Change Orders & Claims Agenda 07:30 a.m. – 08:00 a.m. - Registration 08:00 a.m. – 08:30 a.m. I. Overview A. Explanation of why Claims have escalated since 1979SDC & Associates, Inc. is the leading nationwide provider of construction consulting services. Since 1994, we have successfully helped our clients increase their profits and protect their bottom line through claims preparation, education, CPM scheduling, litigation support, and much more. This seminar teaches your employees how to prevent claims while developing the procedures and documentation required to properly identify, document, prepare, calculate, present, evaluate, negotiate, and win valid change orders and claims. It also teaches how to win conflicts between specifications and drawings every time. These techniques apply to public works projects and private commercial projects, and provide valuable insight to increase the profits and protect the bottom line. NATIONAL AWARD WINNER Continuing Excellence in Construction Education since 1994 How to Win the Fight! Change Orders and Claims Instructor: Anwar Hafeez is a nationally known and respected engineer and construction project manager, who has personally
