

# Download Ia Volume 1 Questions And Answers

Commission Regulation (EC) No 1234/2008 ('the Variations Regulation') and the "Commission guideline on the details of the various categories of variations" ('the Classification Guideline') set out a list of changes to be considered as Type IA variations. These questions and answers have been produced for guidance only and should be read in conjunction with the rules governing medicinal products in the European Union, volume 2, notice to applicants. MAHs must in all cases comply with the requirements of Community legislation.
