

Download India Apos S Fight Against Corruption

India's government is reeling from a populist anti-corruption campaign led by Kisan Baburao Hazare, popularly known as Anna Hazare, which has united tens of thousands across the country in the ...This shows that a substantial share of voters supported demonetization despite its negative economic effects.If Modi hadn't framed demonetization as a fight against corruption, there might have been a loss of support to the BJP.Fight Against Corruption. Corruption is a burning national issue. We must all come together for our 'fight against corruption'. By 'corruption' people usually mean actual bribery, nepotism, misuse of public money and other offenses like hoarding, profiteering, black-marketing and smuggling.Anti-corruption is a major enterprise in India today. In 2009 the social reformer Anna Hazare spearheaded a huge anti-corruption movement across the country.
