About us. John Benjamins Publishing Company is an independent, family-owned academic publisher headquartered in Amsterdam, The Netherlands. ...More. Back to school. *Cross-Cultural Psychology: Research and Applications* is a new edition of a now classical textbook and reference manual aimed at senior level and graduate students in the field. Prevalence. In the political philosophy of multiculturalism, ideas are focused on the ways in which societies are either believed to or should, respond to cultural and religious differences. Moral Development focuses on the emergence, change, and understanding of morality from infancy through adulthood. Morality develops across a lifetime and is influenced by an individual's experiences and their behavior when faced with moral issues through different periods' physical and cognitive development.
