

# Download Isuzu 3lb1 Parts Manual

Isuzu has used both its own engines and General Motors-built engines. It has also produced engines for General Motors, Honda, Toyota and Mazda Replacement zinc pencil anode for the Thermex exhaust manifolds. This zinc pencil coolant anode is supplied complete with the screwed plug (1/4" BSP taper thread). DESIGNED TO OUTLIVE THE LIFE OF THE ENGINE. A high performance speed control system results when a GAC actuator is installed on an engine and electronically connected to compatible GAC governing system components.
