John Ruskin (1819–1900) was the most prominent art and architecture critic of his day. His books, pamphlets and letters to the press had an influence on all classes of society, from road-menders to royalty, and he still maintains a popular reputation today, though he is remembered less for his views than for his failed marriage to Effie ...John Ruskin (1819 1900) was the most prominent art and architecture critic of his time. Yet his reputation has been overshadowed by his personal life, especially his failed marriage to Effie Gray, which has cast him in the history books as little more than a Victorian prude.
