Alpine Recreation mountain guides and staff. Let our enthusiastic and professional guides look after you. Benefit from their extensive knowledge, past adventures and climbing expeditions. By Wendy Redal, Editorial Director at Natural Habitat Adventures. Each year around El Día de los Muertos—celebrated November 1 and 2—the sky over the Mexican mountain village of Anguango becomes a flurry of orange. SI Eats is a destination for food, drink and eating culture. With so many rides to choose from, we broke down the ones that must be visited and others that you won't necessarily mind missing.
