

Download Language Contact In Japan A Socio-Linguistic History

The Japanese are often characterized as exclusive and ethnocentric, yet a close examination of their linguistic and cultural history reveals a very different picture: although theirs is essentially a monolingual speech community they emerge as a people who have been significantly influenced by other languages and cultures for at least 2000 years. By examining the 2000-year-old history of how Japan has been influenced by other language groups, Loveday offers general insights into the social causes and patterns of language contact, as well as the nature of linguistic change. Find 9780198235590 Language Contact in Japan : A Socio-Linguistic History by Loveday at over 30 bookstores. Buy, rent or sell. A Brief History of the Japanese Language. Nate Blaylock Linguistics 450 Dr. Hallen. Within the field of Historical Linguistics, perhaps one of the most debated topics is the origin of the Japanese language and its relationship to other languages.
