Laughter the Best Medicine is a collection of Reader's Digest magazine's funniest jokes, quotes, stories, cartoons, anecdotes, and laugh-out-loud captions. Humour (British English), also spelt as humor (American English; see spelling differences), is the tendency of experiences to provoke laughter and provide amusement. In the modern world, plenty of people who speak different languages meet and mix very successfully. Given that the proposed world language, Esperanto, never did catch on, most people are left to translate their own tongue into English - often with unfortunate results.
