Visual Law Library is meant purely for educational discussion of law. It contains only general information about legal matters. It is not legal advice, and should not be treated as such. After you complete this lesson, you should have an understanding of unintentional torts. Moreover, you will review a few case examples of unintentional torts to increase your learning. There are two kinds of knowledge law school teaches: legal rules on the one hand, and tools for thinking about legal problems on the other. Although the tools are far more interesting and useful than the rules, they tend to be neglected in favor of other aspects of the curriculum. Risk is the possibility of losing something of value. Values (such as physical health, social status, emotional well-being, or financial wealth) can be gained or lost when taking risk resulting from a given action or inaction, foreseen or unforeseen (planned or not planned).
