

Download Little Heart Anthology Marriage Equality

An odd and uneven little anthology of short comics, the proceeds of which supported the effort to legalize same-sex marriage in Minnesota. "Heart" frequently takes precedence over talent or cohesion, but a couple pieces are real gems. Little Heart is a comic anthology created to show support for marriage equality. The comics included in the volume, much like the creators themselves, come from and cover a diverse range of backgrounds and subject matter to emphasize that love indeed strikes all walks of life. Little Heart is a 160+ page comic anthology created with the subject of Marriage Equality in mind. Little Heart is a comic anthology created to show support for marriage equality, produced in partnership with 2D Cloud & [MN]Love. The comics included in the volume cover a variety of material, from auto-bio to science fiction, intimate vignettes, and romantic incidentals; work created to show that love strikes all walks of life.
