LIVING IN THE SHADOW OF THE TOO-GOOD MOTHER ARCHETYPE is a journey into the heart and soul of mothering. It takes you to places that have remained hidden due to out-dated beliefs about what it means to be a good mother. Shadow Work Journal: Go on a journey through the deepest and darkest corners of your psyche. Embrace your inner demons, uncover your hidden gifts, and reach the next level of your spiritual growth. As a rule of thumb, examples of this trope should be deconstructions of character archetypes which already have their own trope pages (The Hero, The Lancer, Anti-Villain etc.), unless the character archetype is no longer in current use (Discredited Trope, Forgotten Trope etc.). The trope name comes from a frequent comment made at the subsequent funeral, that the poor departed child was too good for this sinful earth, and thus was called home to a good afterlife by a just God.
