“Concrete is not just for building construction—there are so many more possibilities. Smith and Snyder have compiled a focused collection of DIY projects taking advantage of colored concrete, including planters, ornamental pieces, and furniture. If you like making things for your garden, you will love concrete. Durable, beautiful and inexpensive, it is also surprisingly simple to work with. Concrete DIY planters are extremely adaptable in terms of style: Use fluted forms to fit with cottage-inspired garden furniture, or choose straight lines and geometric shapes for a more modernistic look. Make a feature of your outdoor and garden furniture with our stylish range of dining sets, chairs, loungers and bean bags.
