

Download Married With Zombies Living With The Dead

Zombies rule the world, except for a small group of scientists and military personnel who reside in an underground bunker in Florida. The scientists are using the undead in gruesome experiments; much to the chagrin of the military. Here's a film truism that everyone can agree upon: George Romero's 1968 *Night of the Living Dead* is probably the most influential and important "zombie film" of all time. *Pride and Prejudice and Zombies: Dreadfully Ever After* - Kindle edition by Steve Hockensmith.
