We establish and enforce the standards for engineers and land surveyors. Our job is to ensure the quality of our licensees. Our priority is the health, safety, and welfare of the public. At Engineer Educators, our dedication and continued focus is to enhance and grow the knowledge base of practicing licensed professional engineers North America wide (United States & Canada). Ten finalists are in the running for NSPE's Federal Engineer of the Year Award. The Office of Public Safety and Inspections (OPSI) sets and oversees infrastructure safety standards across Massachusetts.
