

# Download Materials Sourcebook Design Professionals

Buy The Materials Sourcebook for Design Professionals 01 by Rob Thompson, Martin Thompson (ISBN: 9780500518540) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders. Written by Rob Thompson, The Materials Sourcebook for Design Professionals comprises six main parts on all the major 'design' material groups. An indispensable reference for design professionals on selecting and using materials in new ways to make their designs ever more efficient and effective. Today's technological advancements have resulted in traditional materials being used in increasingly innovative ways; designers are able to push the boundaries of what is possible. Rob Thompson is an internationally recognized expert on materials for design. He has helped develop a range of products for global clients, including LG Electronics, Panasonic and Nokia, where he was formerly Principal Designer.
