

Download Minority Languages And Group Identity Cases And Categories

General Overviews. For readers who would like a broad take on minority languages and on the issues concerning their maintenance and revitalization, the following works are recommended. An ethnic group or an ethnicity, is a category of people who identify with each other based on similarities such as common ancestry, language, history, society, culture or nation. A model minority is a demographic group (whether based on ethnicity, race or religion) whose members are perceived to achieve a higher degree of socioeconomic success than the population average. Article about the image of Asian Americans as the 'model minority' and how its implications about Asian successes can be misleading and harmful to the Asian American community.
