

Download Money Monopoly Vs The Community Dollar

The board game Monopoly has its origins in the early 20th century. The earliest known version of Monopoly, known as The Landlord's Game, was designed by an American, Elizabeth Magie, and first patented in 1904 but existed as early as 1902. In economics, the money supply (or money stock) is the total value of monetary assets available in an economy at a specific time. There are several ways to define "money", but standard measures usually include currency in circulation and demand deposits (depositors' easily accessed assets on the books of financial institutions).
