Med langtidshukommelse menes det lager av informasjon som finnes i minnet. Forskning viser at det er lite sannsynlig at det kun finnes ett "lager" for hukommelse, derimot tilsier variasjonen i informasjon at det sannsynligvis er flere systemer. It's not uncommon for employed clinicians to have a limited annual CME fund. It's also common for them to want to get the most value possible from this pool of money.
