Many people see the enjoyment of wine as an intimidating and complicated matter, requiring a mastery of arcane rules and rituals. In fact A glass of wine can be delicious, but when it is paired with the right dish, it can resonate in a magnificent way. This gorgeous cookbook lets any cook plan a meal in perfect concert with a favorite or special wine. Seems like serving a wine should be easy enough: Just open and pour. But anyone who has ever struggled with a crumbling cork, or listened to a debate over whether the Cabernet they're drinking needs to "breathe" more, knows that sometimes it's not quite so simple.
