

# Download Phrygian Scale For Guitar

Learning how to solo over 7alt chords is daunting due to the many scale choices in front of you. To avoid confusion, one of the best places to start when soloing over 7alt chords is the Phrygian dominant Scale. Phrygian dominant has a distinctively "exotic" sound that can be used in many styles of music. Its roots are in musical traditions such as flamenco and Middle Eastern music, but modern styles such as rock and metal have made use of the scale for its hauntingly tense quality. Modern Phrygian mode. In modern western music (from the 18th century onward), the Phrygian mode is related to the modern natural minor scale, also known as the Aeolian mode, but with the second scale degree lowered by a semitone, making it a minor second above the tonic, rather than a major second. Welcome to the GMC Scale Generator! With this tool it is possible to illustrate scales, give them titles and save them as images for inclusion in lessons or Forum posts.
