Buy The Pocket Guide to Critical Appraisal Poc by Iain Crombie (ISBN: 9780727910998) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders. The complete list for the appraisal of review papers. Index. "Everything you need to know to assess medical research is contained in this practical, accessible handbook. Everything you need to know to assess medical research is contained in this practical, accessible handbook. It provides a basic introduction to the principles and processes involved in critical appraisal, helping the researcher to make sense of the overwhelming mass of medical literature available. This concise guide to the assessment of medical research is designed to accompany every library visit. The first section of the book introduces the rationale behind critical appraisal, discusses the questions to be asked of each section of paper and identifies the common pitfalls in published research.
