Buy Population Ecology of Raptors (Poyser Monographs) by Ian Newton (ISBN: 9781408138533) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders. About Population Ecology of Raptors. Dr Newton's book is concerned with all aspects of population regulation in diurnal birds of prey, their social behaviour, dispersion, numbers, movements, breeding and mortality. He has drawn on his own studies in Scotland and on material and investigations worldwide to produce an authoritative and stimulating synthesis of current thinking and research on the ecological problems of the Falconiformes.
