Dear Twitpic Community - thank you for all the wonderful photos you have taken over the years. We have now placed Twitpic in an archived state. It is important to make it clear at the outset that Bond's anthology is a description of empirical research, sometimes done first-hand by the authors, sometimes simply the results of their digestion of literature searches, about the psychological makeup and functioning of Chinese people in a variety of contexts. Citing and more! Add citations directly into your paper, Check for unintentional plagiarism and check for writing mistakes. The term Eastern world refers to various cultures or social structures and philosophical systems depending on the context, most often including at least part of Asia or geographically the countries and cultures east of Europe, the Mediterranean Region and Arab world, specifically in historical contexts, and in modern times in the context of ...
