This article needs attention from an expert on the subject. Please add a reason or a talk parameter to this template to explain the issue with the article. During the 1745 Jacobite rising, Hume tutored the Marquess of Annandale (1720–92), who was "judged to be a lunatic". This engagement ended in disarray after about a year. In *Culture and Anarchy*, Matthew Arnold (1822-88) articulated a theory of culture that continues to influence thinking about the value of the humanities in higher education. Intelligence To be intelligent you first have to know what being Intelligent is. And you also have to know what being ignorant is. Ignorant is just another word for "Not knowing".
