Author B.V. Larson's protagonist Kyle Riggs is a long way from his former life as a San Joaquin Valley professor/gentleman farmer. Hell, it's disintegrated. Rebellion is the turning point in the great interstellar war between all living creatures and the machines. Star Force is on the side of the machines - but for how long? In the third book of the Star Force series, Kyle Riggs learns just what kind of war Earth is caught up in. B.V. Larson, a master of military science fiction, presents Army of One, a harrowing tale of high-tech mayhem. The Macros of the Star Force series have invaded from the skies, forcing a nanotized assassin into a deadly decision. One man attempts to stay neutral...and realizes how hard it can be to avoid an interstellar war. It's round three with Rebellion in the six-part Star Force series, and Larson isn't letting up on this one. It's just as much of a page-turner as the previous two. It's just as much of a page-turner as the previous two.
