Buy *The Cultural Landscape: An Introduction to Human Geography*, Books a la Carte Edition (12th Edition) on Amazon.com FREE SHIPPING on qualified orders AP Human Geography is more than just the ability to look at a map and know which way is north. The world we live in has profoundly shaped the way societies change and grow, and created both problems and solutions on levels from local to global. Geography as a discipline can be split broadly into two main subsidiary fields: human geography and physical geography. The former largely focuses on the built environment and how humans create, view, manage, and influence space.
