This mower does mow grass quite well. But it does not cut weeds, especially dandelions. With these, and dandelions, the mower just rolls over them and they pop right back up, no matter how many times you go over them. The Scotts 20 inch reel mower features a grass-catcher bag and a 20 inch cutting deck with quick-snap height adjustment for a custom cut. A cushioned loop-style handle and tool-less assembly make operating this mower a breeze. click on the letters below that match the first three letters in your wizard model number to go to the proper parts category. McCulloch MCM2013 20-Inch Push Reel Mower as shown above is not what i received. The one i got has been discontinued by McCulloch. I received the mower, but the top handle with the padding was missing from the box.
