International Journal of Engineering Research and Applications (IJERA) is an open access online peer reviewed international journal that publishes research ..Material Theoretical Shear Strength (GPa) Experimental Shear Strength (MPa) ... That experimentally measured yield strength is significantly lower than the expected theoretical value can be explained by the presence of dislocations and defects in the materials. International Journal of Engineering Research and Applications (IJERA) is an open access online peer reviewed international journal that publishes research ..A torsion spring is a spring that works by torsion or twisting; that is, a flexible elastic object that stores mechanical energy when it is twisted.
